Projects Feasibility & Planning Study Group Leaders

Committee on nominations and leadership development recommends the following short term project groups, who will study the feasibility and planning for elements of Pisgah UMC Vision and Planning, 5-10 Year plan. These work groups are formed via our current church structure found in the 2008 UMC Book of Discipline ¶243-258 and 2524-2551. Each chairperson will form the body of the group from the membership and constituency of Pisgah UMC.
